

Yaaawn...

Music to our ears.

We take great pleasure in giving our customers a good night's sleep. 100% pure natural Latex guarantees exactly that.

ARPICO is the pioneer and biggest manufacturer of 100% Natural Latex in Sri Lanka with over 15 years of experience in the Latex industry. Sourcing latex from our own plantations and processing them in our own facilities, we make sure that our latex is up to the highest standards in the world.

Also available as Premium Latex Blocks.
